From the Vicar:

Dear Queensway Community, we welcome you to your parish church to celebrate the birth of Jesus at any of our services this year. As we prepare for Christmas we continue to pray for peace in our community and throughout the world. Jesus was born into poverty and came to save humanity from the wrong we continue to do to ourselves. We pray his message of light and love rests upon you this Christmas and upon all whom you hold dear. We look forward to welcoming you, with blessings, Fr Ben Lewis, Vicar for St Mark's.
